

# Hawke's Bay A&P Show

2024 General Schedule

Thursday 24 Friday 25 October

# Welcome

On behalf of the Hawke's Bay A&P Society, the proud organisers of the Hawke's Bay A&P Show, we are extremely pleased to present the competition schedules for the 161st Hawke's Bay A&P Show.

As one of the largest A&P Shows in the country, we are proud to create an opportunity to bring rural and urban communities together and celebrate the primary sector during our fantastic two-day Show.

The team is focused on providing an event where the highlighted activities will absolutely be on animals, the competitions, the prestige associated with winning the top agricultural prizes, and displaying the best of the best livestock to the thousands who attend each day. We know the shearing competitions will be fast and furious and world class equestrians will be present and riding on the Main Arena. Dogs, sheep, poultry and home industries will also be represented in force across the Show.

Our Competitions are back better than ever! The equestrian arenas are a hive of activity with showing and showjumping being showcased in the main arena, Showhunter in the Presidents Arena and Carriage Driving in the Parade Field. It is an action packed two days with dog trials, pigs, poultry, fencing, fleece, shearing and so much more.

We welcome you to enter the competitions and we look forward to hosting you at the beautiful Tomoana Showgrounds, Hawke's Bay in October.

*2024 Hawke's Bay A&P Show Team!*
