

Hawke's Bay A&P Show

2023 General Schedule

Wednesday 18, Thursday 19, Friday 20 October

Welcome

On behalf of the Hawke's Bay A&P Society, the proud organisers of the Hawke's Bay A&P Show, we are extremely pleased to present the competition schedules for the 160th Hawke's Bay A&P Show.

As one of the largest A&P Shows in the country, we are proud to create an opportunity to bring rural and urban communities together and celebrate the primary sector during our fantastic three-day Show.

The team is focussed on providing an event where the highlighted activities will absolutely be on animals, the competitions, the prestige associated with winning the top agricultural prizes, and displaying the best of the best livestock to the thousands who attend each day. We know the shearing competitions will be fast and furious and world class equestrians will be present and riding on the Main Arena. Dogs, alpacas, goats, sheep, poultry and home industries will also be represented in force across the Show.

Our Competitions are back into a centralised hub. The equestrian arenas are now closely linked to our sheep, cattle, goat and alpaca arenas. Showing and Breeds classes are moving back to the Oval and will be located at the Horse Office end and Show Hunter will be located on the prestigious Presidents Arena! You will find all details in the schedules.

We welcome you to enter the competitions and we look forward to hosting you at the beautiful Tomoana Showgrounds, Hawke's Bay in October.
